

SUPERIOR WATER, LIGHT & POWER

Your utility rates are changing

AN ALLETE COMPANY

The Public Service Commission of Wisconsin has approved Superior Water, Light and Power's request for changes to rates for electricity, natural gas and water. Electric and water rates will increase and natural gas rates will *decrease* beginning August 14, 2017.

The increases will help pay for replacement of century-old water mains, installation of advanced meters, upgrades to substations, and improvements to transmission lines, among other projects to enhance the reliability of the electric, gas and water systems.

- Electric rates will increase an average of 3.81 percent.
- Water rates will increase an average of 9.75 percent.
- Natural gas rates will decrease an average of 9.60 percent.
