AN ALLETE COMPANY

**Certified Survey Map or Site Plan**

**All above ground and underground customer-owned facilities must be clearly identified on your Site Plan.**

- Site Plan attached
- Site Plan provided below

**Customer is required to indicate all that apply on the Site Plan—see included Example on next page.**

- Indicate desired location of Electric Meter (E), Gas Meter (G) and External Water Meter Reader (W) and label accordingly including footages from nearest corner of the building.
- Wells and private waterlines including underground sprinkler systems with connecting lines to buildings
- Municipal sewer/water laterals
- LP fuel lines/tanks with connecting lines to buildings
- External wood furnaces and associated buried heating lines
- Drain line/buried down spout and sump pump lines
- Air conditioning units and all fresh air intakes
- Invisible fences
- Geothermal heat pumps with connecting lines to buildings
- Planned or potential deck, patio, swimming pools or outbuildings
- Existing and future landscaping features (ex. landscape berms or retaining walls)
- Private underground wiring
- Private cable/satellite TV lines
- Other

- Check here if there are no existing or future proposed private facilities on the property.

**CONSTRUCTION REQUEST—RESIDENTIAL**

AN ALLETE COMPANY

**Authorization / Underground Damage Liability Waiver**

**NOTE: At the time of construction, all existing or proposed private underground facilities must be marked or exposed before service can be installed.**

I certify that I own or am the authorized representative of the owner of the property of the service address indicated on this form, and that I have read and understood the above statement regarding marking and/or exposing all private underground facilities. I furthermore agree to hold Superior Water, Light and Power and/or its agents harmless for any damage to private underground facilities that occurs during the installation of gas or electric service as a result of failure on my part to ensure that the private underground facilities on this property have been adequately marked and/or exposed.
